

Dear Valued Cousin's Patrons,

Due to Covid-19, meat pricing has dramatically increased, and we regret that our current menu prices must reflect this market change. Because meats have become a limited commodity in our current unprecedented times, we have been forced to make unexpected price increases to the meat items on our menu. As the market stabilizes, we will lower our menu pricing to reflect that market. We hope this change will exist for only a brief period of time, and as always, please know that we value and appreciate your patronage here at Cousin's. We couldn't do without YOU; for it is YOU who is truly our most precious commodity. Thank you for your understanding at this difficult and challenging time.
